

Show Me Update...

Shepparton Show Me is involved in a variety of activities and campaigns for our members to consider how they can be part of the action.

End of Financial Year

The month of June is traditionally a time to meet up with your accountant, superannuation person and financial advisor to get advice on what may benefit you before June 30.

With added incentives announced in the Federal Budget, Shepparton Show Me is launching a campaign to promote Shepparton's financial services, retail, automotive and agricultural sectors.

There will be extensive marketing to draw customers to Shepparton to Cash In Before June 30 on everything from a new tractor, slasher or cultivator, through new and used cars, motorbikes, IT gear, tools and fashions.

Mother's Day

What a great week leading up to Mother's Day.

The Thompson Kia Pamper Van was in various locations about Shepparton dishing out hand rubs, neck massages, hair styling, a cup of tea and of course, some fresh flowers.

"I didn't expect this today" was a comment I heard a lot. Most traders expressed better than previous business including florists, jewellers, clothing and especially hospitality which is great to hear.

My highlight was handing out flowers to Mums in rehab ward at GV Health. A simple flower was well received.

RENEW Shepparton

It's all go for the Renew Shepparton project. Founder of Renew Australia, Marcus Westbury, will be here to officially launch the Renew Shepparton shops.

The Renew team have received dozens of applications wanting to fill some of the vacant shops in the CBD so we're off to a great start with this important campaign.

If you have a unique idea or want to test out a business idea contact Renew Shepparton via the website.
